WINGLESS SPRINTS

WELCOME

Welcome back race fans!

We have a fantastic program to kick off the 2024/25 season with Sprintcars and Wingless Sprints competing tonight, brought to us by 3YB FM and Coast FM.

This year is momentous for the club, achieving a significant milestone of a 20-year association with Sungold Milk. The club is blessed to have such strong local business support, reinforced by Sungold Milk as our venue naming rights partner.

We also welcome new venue partners in Welsh's Garage Doors & Gates, Warrnambool Trailers, Apco Service Stations and Dirt X Ind along with all returning partners of Premier Speedway Club.

The club has been very busy in the off season with projects and planning for the season ahead keeping the team very very busy!

The clay changeover certainly the most significant. The previous dark coloured clay has been completely removed and replaced with the more familiar orange clay you now see at the venue.

Replacement of the track gates has also taken place, delivering significant safety improvements with the gates now opening inwards. The project isn't completely finished with hydraulics expected to be installed, making the gates automated.

There are still some others also in the pipeline to come shortly.....

Planning for our major events is well underway with some exciting announcements still to come involving the Flying Horse Bar & Brewery Grand Annual Sprintcar Classic week.

A new event announced is the ARB Warrnambool International Sprintcar Carnival which takes place on Sunday January 19. The Sprintcar only event promises to be a great night of entertainment with crowd involvement across a compressed 3-hour racing program. It will be worth extending your stay in Warrnambool to take in this event and some other off-track events in town in the lead up to the 'Classic'.

Tonight, though marks Round 1 of the \$10,000 to win Total Tools Warrnambool Sprintcar Track Championship. The track championship has great support again from The Midfield Group, Fitzmedia Live joining new sponsor Warrnambool Trailers. The event also doubles as Round 1 of the Distinct ICT Sprintcar Series.

Thanks for your patronage or viewership for those watching at home. We hope you enjoy tonight's program and look forward to seeing you back on November 16 for the 360_LS Sprintcars and Formula 500's who will be contesting the prestigious Jack Willsher Cup.

Tickets for our 2024/25 season events are now available online for purchase from the Premier Speedway website www.premierspeedway.com.au

Please sit back and enjoy the night's action with thanks to 3YB FM and Coast FM. Both stations can be found on the FM dial with 3YB at 94.5 and Coast FM at 95.3.
