# WELCOME

## Welcome to the inaugural ARB Warrnambool International Sprintcar Carnival!

Thank you for attending and we hope you have an enjoyable time at the venue as we head into the biggest week in Australian Speedway.

Tonight is about having fun and experiencing things that don't usually happen at a Speedway event but how could we not try something different when the event name includes 'Carnival'!

There will be a variety of off-track activities to keep the kids and big kids wondering what will come next.

The Sprintcar only program is another new initiative which has provide extremely popular with the High Limit series in America and locally has taken the lead from the T20 cricket to have a short sharp event but importantly provide a great experience for patrons.

You are in for a treat, with a fantastic field of cars from across Australia entered along with some American stars all vying for the lucrative \$15,000 winner's prize.

It's fantastic to see great representation from Western Australia heads east. The likes of Callum

Williamson and Warrnambool debutant Dayne Kingshott run very strong in Perth and we look forward to watching them turn laps at Sungold Stadium.

We would also like to acknowledge and thank the teams who are expected to compete in Sydney on Friday and Saturday, then making the overnight haul to be here tonight.

Off track, there are some great events during the week, particularly 'Thrill on the Hill' which is a free event to be held at Flagstaff Hill tomorrow, Monday January 20. Come and see Sprintcars for the first time in Flagstaff Hill, rev their engines as they parade through the iconic village. Cannon firing will kick off festivities which includes a formal opening to the 52nd running of the Grand Annual Sprintcar Classic.

We are extremely grateful for Russell Cairns and the team at ARB Warrnambool for their support of tonight's event. When the concept was mentioned, Russell never hesitated and pledged his support from the outset.

If you are in need of Offroad or 4x4 parts or accessories please drop in and see them at their recently expanded showroom at 1117 Raglan Parade, Warrnambool.

Please enjoy the evening and we look forward to seeing you back for the 2025 Flying Horse Grand Annual Sprintcar Classic, starting on Friday.

## Now it's time for the racing!
