WELCOME

Happy Easter everyone!

Is there a better way to spend your Easter Sunday than watching exciting Sprintcar and Super Rod action plus a HUGE Fireworks show? No is the correct answer, and we thank you for choosing to join us here tonight at Sungold Stadium Premier Speedway.

When Easter comes around, it signals the end of another season. However, it's a great time to reflect back on the season but also look forward to the exciting events for the season ahead.

First and foremost, the people make the sport. Whether it's you as a fan, a crew member, team owner or driver, thank you for your support over the past season. I hope you have noticed the improvement at the venue following the change of the racing surface last off-season. Improved racing, finishing earlier some of the key benefits delivered.

Our Volunteers and Officials... It's remarkable to think that over 90% of the people involved in delivering our events do so through their passion for the sport and club.

Thank you for an amazing contribution this year to all those who have donated time to the club. While we are appreciative of the people who volunteer their time on race night, we have great depth in the club with a band of volunteers who help out during the week to deliver a pristine venue. Plus, when the 'Classic' comes around, there are always people willing to help out during the week so a huge thank you to those.

Onto tonight's racing program, it is Round 3 of the 2025 Easter Sprintcar Trail, an annual tradition

for Speedway fans to go out on a high with three consecutive nights of Sprintcar action. With Easter being later this year, it has taken a toll on a long season for some teams with lower than hoped numbers.

Tonight is also the final round of the Total Tools Warrnambool Track Championship presented by The Midfield Group, Fitzmedia Live and Warrnambool Trailers. Jamie Veal has a solid lead and is the strong favourite to claim the \$10,000 winner's prize. With quite a few drivers currently in the top 10 not competing tonight, it opens up those who will be eligible for the fantastic prize donated by Warrnambool Trailers for those finishing in fourth to tenth place.

Super Rods join us again for their Easter Trail which forms the final round of the JD Race Parts Track Championship. Thank you to Darryl Bottams from JD Race Parts for their support of the Super Rods. We also thank the Sports Sedans for joining the program tonight, having their first run at Sungold Stadium.

While tonight we farewell Season 2024/25, there is a great event program ahead for the 2025/26 season headlined by the 2026 Flying Horse Grand Annual Sprintcar Classic. Also, featuring at Sungold Stadium is the 2026 SSA Super Sedan National Title along with potentially a trio of state titles at the venue. The Modified Sedans and Wingless Sprints are confirmed with potentially another two to come. Please keep an eye on the Premier Speedway website and socials for further updates.

Thank you again for your support across the season. Your patronage at Premier Speedway is very much appreciated and enables us to make continued improvements at the venue.

We wish you a safe journey home and look forward to welcoming you back to Sungold Stadium Premier Speedway for our opening night on November 1.

Richard Parkinson
Club President

Michael Parry
General Manager

McDowall's Friendly Grocer & Licensed Bottle Shop

Mt Gambier- Tate Frost
Warrnambool- Tate Frost

FORMAT

QUALIFYING

Drivers will be randomly drawn into heat groups. These heat groups will also be used as qualifying groups. The qualifying groups will then participate in a combined Hot lap/Time trial session. There will be a maximum of 4 cars on track at a time. The sessions will be 4 laps. The sub-groups will run consecutively with the order determined by a random draw which will be used across all qualifying groups. Example: 8 car heat. Qualifying group split into two sub-groups; a and b determined by seeding the drivers. A random draw will be conducted to determine which sub-group (a or b) qualifies first, which will be applied across all Qualifying groups.

HEAT RACES

A one heat format will be in use – 8 car heats; an invert of four (4) will be used - 10 or more cars; an invert of six (6) cars will be used

There will be six (6) cars to transfer from the B-Main(s) to the rear of the A-Main. The A-main will consist of 20 cars.

All heat races will be contested over 10 racing laps, The B-Mains will be contested over fifteen (15) Laps. If only one B-Main is conducted the laps may be increased to twenty (20) laps dependent upon the number of cars. The A-Main will be 30 Laps. There will be no reserves for the B or A Main. All formats are subject to potential change at the discretion of the management/promoters of each venue. If less than 32 cars the promoters reserve the right to utilise an alternate format as outlined below.

- Heat Race: as per primary format
- 8 Lap Semi Finals (calculated on points from Qualifying and Heat Races)
 - Gold semi-final: Odd on points (Position 1,3,5,7,9&11) lined up highest to lowest on points.
 - Silver semi-final: Even on points (Position 2,4,6,8,10,12) lined up highest to lowest on points.
 - Mid Pack semi-final: (13-20) – last 6 placegetters go to B-Main.
Top 2 start positions 13 & 14 in the A-Main.

Finishing positions comprise starting positions for B-Main & A-Main. Gold semi-final fills the inside row and Silver the outside row for the A-Main.

FORMAT

POINTS SCHEDULE

To split any cars on equal points the car with the higher qualifying position will be deemed the higher qualifier.

If a tie still exists the car with the faster lap in Qualifying will be the higher qualifier.

TIME TRIALS	POINTS	FINISHING POSITION	HEAT POINTS
1st In Heat Group	15	1	12
2nd In Heat Group	13	2	11
3rd In Heat Group	12	3	10
4th In Heat Group	10	4	9
5th In Heat Group	8	5	8
6th In Heat Group	7	6	7
7th In Heat Group	6	7	6
8th In Heat Group	5	8	5
9th In Heat Group	4	9	4
10th In Heat Group	3	10	3
11th In Heat Group	2	11	2
12th In Heat Group	1	12	1

Top point scorer has choice of starting in position 1 or 2 in the "A" Main.

SERIES POINTS

- Series Points are comprised of the points achieved from the A-Main contested at each track.
- If the A-Main is not ran and the B-Main(s) are completed each A-Main qualifier will receive half points based on their starting position in the A-Main.
- If the B-Main(s) are not completed and the meeting is not completed, no series points will be awarded.

"A" Main	Points
1st	220
2nd	215
3rd	210
4th	205
5th	200
6th	195
